What gets the thumbs up about GSOS?	Its great to keep you fit and active and the coaches are nice
Thumbs down?	There is some really hard training but it's a good way to push yourself to your limit
Your greatest sporting moment?	Was when I was in the under 10's and the score was 2-2 and I had to take a penalty to score and win, and I scored YEY!
Sporting ambition?	To get into The Commonwealth Games in 2014
Coollest thing about your sport?	You get to train with boys so that is quite challenging and it's the only sport in school that is a team sport
Career of choice?	Some kind of coaching for younger children
Top tip for anyone thinking of joining the School of Sport?	Definitely join it is good fun to meet new people, have fun and get your fitness level high
