What gets the thumbs up about GSOS?	It has given me the opportunity to work during school hours with excellent coaches, great facilities with high level of drive and commitment from all players. It has been the main cause for any success I have had this season
Thumbs down?	Having to travel from Ayrshire every morning (but its worth it)
Your greatest sporting moment?	Walking on court for my first game against Sweden for my country in The European Juniors in Milan
Sporting ambition?	To play at the Commonwealth Games Glasgow 2014
Coollest thing about your sport?	All the travelling you get to do and the new people you get to meet
Career of choice?	Hopefully I will continue to play badminton at the highest level, then I hope to go to university to study primary education
Top tip for anyone thinking of joining the school of sport?	Put in 100% effort in both School of Sport and School and enjoy the experience
